

# SP TOURING R1

PC

CONFIABLE

El SP TOURING R1 fue diseñado para ofrecer un equilibrio perfecto entre durabilidad, rendimiento en mojado y comodidad de conducción. Con su compuesto avanzado y diseño optimizado de la banda de rodadura, brinda excelente agarre en lluvia y una marcha suave y silenciosa. Es ideal para city cars, hatchbacks y sedanes pequeños o medianos que requieren un neumático confiable y de larga vida útil.

- ▶ Diseño de 4 costillas que mejora la adherencia y asegura un desgaste más uniforme.
- ▶ Cinturones de acero más anchos y carcasa robusta que aumentan la estabilidad en la conducción.
- ▶ Perfil circular que garantiza un contacto constante y mayor durabilidad.
- ▶ Ranuras profundas que evacúan el agua de forma eficiente, reduciendo el riesgo de hidropneumático.

*The SP TOURING R1 is engineered to deliver the perfect balance of durability, wet performance, and comfort. With its advanced compound and optimized tread design, it offers excellent wet grip along with a smooth, quiet ride. It is ideal for city cars, hatchbacks, and small to mid-size sedans looking for a reliable, long-lasting tire.*

- ▶ 4-rib design for enhanced grip and more even wear.
- ▶ Wider steel belts and a reinforced casing for greater driving stability.
- ▶ Circular profile that ensures consistent contact and improved durability.
- ▶ Deep, well-distributed grooves for efficient water evacuation, reducing aquaplaning risk.
